Please answer the following questions:

1. Have you declared this major before? Y N
If so, when? _____

Application Requirements:

Application to this major is NOT competitive.

A minimum grade of C+ is required for each course listed below. Indicate AP scores fulfilled with AP credit. Also indicate ALL grades for any classes that have been repeated. Grades will be accepted from transfer students for Chemistry and Introductory Biology. Please list any transfer credits that you wish to be evaluated as acceptable equivalencies.

If you turn in this application before completing all of the Neuroscience prerequisites, you will be considered as a Pre-Major in Neuroscience. As a Pre-Major, once you complete the prerequisites, your status will be reviewed by our office, and changed to Major status within a few weeks of grades posting.

Once this form is submitted there are no additional forms you need to fill out to declare a Neuroscience Major.
