Master of Science

The abstract is a summary of the work with emphasis on the findings of the study. It must be single spaced. It must match the same font and size as the rest of the work. It should also be left aligned with the 1st line indented. The abstract precedes the optional acknowledgement page and the body of the work.

This is where a second paragraph begins if applicable. An extra line should be included between the paragraphs.

Keywords: only capitalize keywords that are proper nouns

Don't forget to add page numbers in Adobe Acrobat, starting with the table of contents; page numbers should be centered at the bottom of the page

ACKNOWLEDGEMENTS

This page is optional. Students may use the acknowledgements page to express appreciation for the committee members, friends, or family who provided assistance in research, writing, or technical aspects of the dissertation, thesis, or selected project. The acknowledgements should be simple and in good taste.

This is where the second paragraph begins if applicable. The acknowledgements should be double spaced and in the same font and size as the rest of the work.
